A great big THANK YOU to Mrs Dixon and Mr & Mrs Lambert for the use of their land, without which the event could not happen.

A great big THANK YOU to all the volunteers, whether an hour on a stall, a cake baked or 30 years of marshalling, without each and all of you the event could not happen.

Many thanks to everyone who helped before, during and after the event: With the preparations - clearing and marking the race courses, fettling the field, putting up tents, baking, making sandwiches, making hampers, designing posters, publicity and everything else. Many thanks to everyone who donated raffle prizes and sponsored the event. Many thanks to all those who helped on the day with face painting, painting competition, car parking, kids races, selling raffle tickets, marshalling, time keeping, registration, taking photos, serving teas, cleaning, taking money, announcements, unblocking toilets, selling ice creams, baby animals and everything else. Many thanks also to everyone who helped clear up the signs, hall, courses and fields and after the event.
