**The origins of Hutton Roof Country Fair** lie in the Queen's Silver Jubilee Celebrations which were held on the Old School Field in 1977. Everyone had such a good time it was decided to make it an annual event to raise funds for a new village hall. **The first Fell Race** was conceived by Ian Rooke, Dave Bayliss and Pete Bland as a race for the adults at the country fair, where the children's sports were already popular. Just a handful of runners took part in the first race, but over the next couple of years, they honed the route and the race emerged in its current form in 1985. This is considered the first Official race. Runners were registered in the porch of the new hall - the only part that could be used at the time! The hall was completed during the year following. (More details on the web site huttonroof.org.uk).

Our village is lucky to have so many willing volunteers of all ages **(6 - 88!!!)** to achieve great things far beyond what you would expect for a community of around 100 households! This year we had more new helpers than ever, so the long tradition can continue.

**If you would like to be involved in anything please come along to any of the meetings over the page or contact any member of a committee. Thank you**
